Distribution of members of the Zilla Parishads according to Sex and Community has been shown districtwise in the Statement I.

### 3. INCOME OF THE ZILLA PARISHADS :

In the year of inception i.e. 1964-65, the Zilla Parishads had very little scope to work. During the year 1965-66, and 1966-67, they, however, had adequate opportunities to operate as many Govt. Departments entrusted the Zilla Parishad to execute their Schemes. But unfortunately, most of the Dev. Schemes of the different departments were withdrawn from the zilla parishads by the Government from the year 1967-68. The reasons for the withdrawal of the Schemes were not always the failure on the part of the Zilla Parishads to execute the entrusted Schemes properly.

#### Analysis of the Income :

During the year 1968-69, the Zilla Parishads recorded the total income (including the opening balance of Rs. 54,30,804=50). Rs. 2,23,27,926=98. The Net Income (excluding the opening balance) of the Zilla Parishads accounted Rs. 1,68,91,122=48.

The Net Income derived from the following heads :-

- A. Contribution and Grants made by the Central/State Govt. including share of Land Revenue Rs. 61,20,898=58.

This is 36% of the Net Income as against 40% of the preceding year. (Net Income of the preceding year was Rs. 1,14,00,000).

#### (a) From Panchayat Departments (Untied Funds)

	1967-68 Rs.	1968-69 Rs.
i) Land Revenue	16,40,695=00	16,82,735=00
ii) Augmentation Grants	3,88,000=00	3,88,000=00
iii) Subvention for D.A. to employees	3,42,917=03	7,54,035=67
TOTAL : F	23,71,612=03	28,24,770=67

Thus the total Untied Funds is 17% of the Net Income as against 21% during the year 1967-68. The grant in this regard, in 1967-68 was Rs. 23,71,612=03.

(b) Government Grant for Specific Schemes :

- i) Grants from Relief Department for T.R. and other Relief was Rs.5,35,467=46. This is 3% of the net income compared to that of 13% of the preceding year. (Net Income during 1967-68 was Rs.11480522.21)

Therefore, receipts on Relief measure decreased by 10% and this was due to the fact that Govt. granted less amount on relief purpose during the year 1968-69.

The new Govt. which came to power in 1967 thought the Zilla Parishad failed to utilise the relief grants of the preceding year in the desired manner. Thorough investigations were made. Grants were decreased. No case of gross irregularity, however, could be found despite enquiries.

(ii) Grants from different departments for execution of Dev. Projects was Rs.27,60,660=45 indicates 16% of the Net Income. This shows a rise of 10% over the 6% of the Net Income of the year 1967-68. The grant in this regard, in 1967-68 was Rs. 7,11,645=28.

B. Own Sources :

(i) Proceeds of Road Cess is Rs.49,24,728=43. This 29% of the Net Income. This shows a shortfall of 2% over the 31% of Net Income of the year 1967-68. The receipt in this regard in 1967-68 was Rs. 35,42,630=15.

(ii) Tolls, Rates etc. is Rs.1,01,923=86. This is 3% of the Net Income. This shows a shortfall of 2% of the preceding year. The grant in this regard, in 1967-68 was Rs.6,42,251=02.

(iii) Receipts from Institution, Gift and Endowments, Fines, Penalties, Loans and other receipts received by or on behalf of the Zilla Parishad and Contribution by Anchalik Parishads or Local authority is Rs.53,63,571=61. This is 32% of the Net Income. This shows a rise of 3% of the preceding year. The Grant in this regard, in 1967-68 was Rs. 27,60,571=09.

Thus the total receipts from own sources is Rs.1,07,70,223. This is 64% of the Net Income against 60% of the Net Income

contd....

during the preceding year. The total receipt for 1967-68 was Rs.1,14,80,522=94 and income from their own sources was Rs.6,10,000.

A comparative Bar-Diagram on income under different heads for the years 1966-67, 1967-68 and 1968-69 has been shown in the Appendix-I. An Income pattern for the year 1966-67, 1967-68 and 1968-69 has also been shown in Statement II. The Statement III shows the income of the Zilla Parishads and their sources for the year 1966-67, 1967-68 and 1968-69. The Statement IV shows the districtwise Statement of the head "Contribution and Grants made by the Central/State Government including share of Land Revenue" under income head.

#### IV. ANALYSIS OF THE EXPENDITURE OF THE ZILLA PARISHADS :

The total expenditure of the Zilla Parishads amounted to Rs.1,36,57,803=81 on the following heads :-

##### A) Establishment Charges :

i) For personnel (Salaries, T.A.) etc. is Rs.33,99,780=70 which is 25% of the total expenditure. In the year 1967-68 this was Rs.28,59,659=21 which was 18% of the total expenditure. In the preceding year expenditure was Rs.1,56,14,786=75 during 1967-68.

ii) Office establishment is Rs.6,43,523=68. This represents 5% of the total expenditure. In the preceding year this was 2% of the total expenditure.

Thus the total establishment charges is Rs.40,43,304=136 which indicates 30% of the total expenditure as against 20% of the preceding year. In the preceding year the expenditure in this regard was Rs.32,13,812=88.

b) Allotment to Anchalik Parishads for various development works is Rs.12,80,887=16. This is 9% of the total expenditure. In the preceding year the allotment was Rs.14,58,234=59 which represented also 9% of the total expenditure.

##### c) Out of Specific Grants, Expenditure on :

i) For execution of Development Schemes the expenditure is Rs.52,83,462=86 which is 39%. This shows a rise of 14% over the preceding year. The expenditure in this regard in the

contd....

the preceding year was Rs.38,65,187=70.

ii) Relief Work (G.R. & T.R.) shows an expenditure Rs.1,16,102=77 which is 1% of the total expenditure against 17% of the preceding year. In the preceding year the expenditure in this regard was Rs.26,50,079=29. The reason for the shortfall has already been explained elsewhere.

iii) Maintenance of Institutions (Schools, Dispensaries etc. shows an expenditure of Rs.12,61,096=99 which comes to 9% of the total expenditure. In the preceding year the expenditure on this account was Rs.12,86,404=53 which was also 9% of the total expenditure of the year.

d) Miscellaneous expenditure shows an amount of Rupees 16,72,949=57. This is 12% of the total expenditure as against 20% of the total expenditure during the year 1967-68 in which the amount spent was Rs.31,41,067=76.

Appendix II shows a comparative Bar-Diagram on expenditure under different heads for the year 1966-67, 1967-68 & 1968-69. And the Statement V indicating the comparative Statement of expenditure heads (Districtwise) for the year 1966-67, 1967-68 and 1968-69. The Statement VI indicates the expenditure on detailed Pattern for the year 1966-67, 1967-68 and 1968-69.

\*\*Allotment to Anchalik Parishads under the head of Zilla Parishads (Rs.12,80,887=16) ought to have been equal to the Allotment from the Zilla Parishads under the Income head of the Anchalik Parishads (Rs.15,50,912=93). But there is a marked difference over 2 lakhs between the two.

The difference is primarily due to the fact that the "Allotment to Anchalik Parishads" under the expenditure head of the Zilla Parishads does not include the amount for relief purposes. It is only for development projects other than relief. But at the same time, "Allotment from the Zilla Parishads" under the Income head of the Anchalik Parishads is composed of the amount for development works as well as the amount for relief works received through the Zilla Parishads. And this amount for relief works is a portion of the "Relief Work" under the expenditure head of the Zilla Parishads.

Hence the difference 7.

V. PERSONNEL OF THE ZILLA PARISHADS :

The Statements VII(a), VII(b), VII(c) and VII(d) indicate the districtwise Staff pattern.

VI. MEETINGS OF THE ZILLA PARISHADS :

In every Zilla Parishad, there are seven (7) Standing Committees. It has been provided in the Rules of the Zilla Parishad Act, 1963, that the members of the general body should meet once in every three months and that of the Standing Committee should meet once in every month. In the Statement VII General body satisfied the conditions of the Law. But the Standing Committees could not reach the Statutory minimum in the most of the cases.

Information regarding the Primary Education Standing Committees was not available in full since the School Board functioned as the said Standing Committee. Some of the Dist. School Boards did not forward any report to this Directorate. We could not press for the report since the District School Boards function under a separate statute.

A comparative Statement on the meetings of the Standing Committees has been drawn in the Statement IX for the year 1966-67 and 1967-68 and 1968-69.

ANCHALIK PARISHAD IN  
WEST BENGAL  
FOR 1968-69

1. INTRODUCTION :

The Block Level Panchayats known as Anchalik Parishads in the State of West Bengal corresponds to Panchayat Samities of other States of India. These Anchalik Parishads established during the month of August, 1964 under the provisions of the Zilla Parishad Act, 1963. In the State of West Bengal there are 335 Development Blocks. All Anchalik Parishads are conterminous with the Blocks and should have been established in each Block area. But only 325 Anchalik Parishads have, so far, been established. Anchalik Parishads have not been set up as yet, in ten Blocks Asansole Sub-division in Burdwan District. These are mainly colliery and Industrial areas. Since all the amenities that can possibly be offered by Panchayats are already being provided by the Colliery and Industrial managements, Government thought that establishment of Panchayats of the normal pattern will not serve any purpose.

Mathurapur II in the district of 24 Parganas could not function during the year under review due to the restrictive orders of the Hon'ble High Court. Reports in respect of four other Anchalik Parishads, 2 (Haroa, Patharpratima) in the dist. of 24 Parganas, 1 (Sutahata I) in the district of Midnapur and 1 (Kaliachak III) in the district of Malda were not available. The present review is, therefore, based on the returns of 320 Anchalik Parishads.

The State Table concerning the Anchalik Parishads is given in the Annexure-A<sub>1</sub>.

Statement I shows the distribution of members according to Sex and Community (Districtwise).

The Section 52(1)(d)(i) and 52(1)(d)(ii) of the Zilla Parishad Act, 1963 provide that two women members and two members backward community having their residential address in the Block area would be appointed by State Government. Thus of the total women members 655 in the Table, 640 women members were appointed by the State Government and out of the total of 1,716 Scheduled Caste and Scheduled Tribes members, 640 members were appointed by the State Government.

### 3. ANALYSIS OF THE INCOME OF ANCHALIK PARISHAD :

During the year under review the total income of Anchalik Parishad was Rs.1,53,29,604=88 and the Opening Balance was Rs.78,08,400=02. Thus the net income amounted to Rs. 75,26,204=86 which was derived from the following :

(a) State Assistance, such as, share of Land Revenue, Honorarium, Loan etc. was Rs.19,29,199=21 which is 26% of the net income. This was 25% of the net income during the year 1967-68. The net income of the last year was Rs.49,87,227=77 and State Assistance was Rs.18,96,285=97.

(b) The amount received from Agriculture, Community Development Branch and other departments for execution of Development works was Rs.34,65,921=59 which is 46% of the total income. This was 3% of the net income during the year 1966-67. The amount available, in this regard, in the preceding year was Rs.3,84,971=62

(c) Allotment from Zilla Parishads including G.R. and T.A. was Rs.15,50,912=99 which indicates 20% of the net income. This was 46% of the net income during the preceding year. In the preceding year the amount which was made available, in this regard, was Rs.22,98,115=70 During the year under review Govt. discouraged implementation of the Relief Schemes through the Panchayats. Hence the decrease in the amount of allotment.

(d) Receipts in respect of Schools, Hospitals, Dispensaries etc. constructed under the control of Anchalik Parishads and receipts from gifts, endowments or contribution of local authority accounted Rs.5,80,180=07. This is 8% of the net income as against 8% of the net income during the last year. The amount received, in this regard, in the preceding year was Rs.4,67,754=47.

12

The Statement II shows the income of Anchalik Parishads from detailed sources for the year 1966-67, 1967-68 & 1968-69. Also the Statements III(a) and III(b) indicate districtwise income of Anchalik Parishad for the year 1966-67, 1967-68 and 1968-69.

#### 4. EXPENDITURE OF THE ANCHALIK PARISHADS :

During the year 1968-69 the total expenditure of the Anchalik Parishad was Rs.59,82,135=94 which was derived from the following :

##### (a) For office establishment :

(i) Salary & Allowances of personnel.	-	Rs. 13,97,737=62
(ii) T.A. of personnel	-	Rs. 63,038=76
(iii) Contingencies & Stationaries	-	Rs. 2,95,392=23
(iv) T.A. of members (including President and Vice-President)	-	Rs. 1,41,356=83
<u>T O T A L</u> -		Rs. 18,97,525=44

Thus the establishment charges came to 31% of the total expenditure as against 25% of the total expenditure during the preceding year. The expenditure during the preceding year was Rs.87,59,866=40 and the expenditure for office Establishment was Rs.21,17,761=72. The High Percentage of Establishment cost in the year under review is because the total amount available for expenditure was less than that of the preceding year.

(b) Allotment to Anchal or Gram Panchayats for various development works was Rs.3,16,688=86 which is 6% of the total expenditure and 5% of the total expenditure during the year 1967-68. Allotment, in this regard, during the preceding year was Rs.4,41,199=95.

(c) The amount Rs.29,52,843=92 spent for Development Work by Anchalik Parishad which is 49% of the total expenditure as against 44% of it during the year 1967-68. The amount, in the preceding year, in this head was Rs.38,67,797=70.

(d) The remaining Rs.8,15,077=72 indicating 14% of the total expenditure were spent for miscellaneous purposes, Gratuitous Relief and Test Relief. This was 26% during the year 1967-68. The amount spent during the preceding year on this head was Rs.23,33,170=30.

Expenditure of the Anchalik Parishad for detailed sources has been indicated in the Statement IV for the year 1966-67, 1967-68 and 1968-69. Statement V(a) and Statement V(b) show districtwise detailed Expenditure for the year 1966-67, 1967-68 and 1968-69.

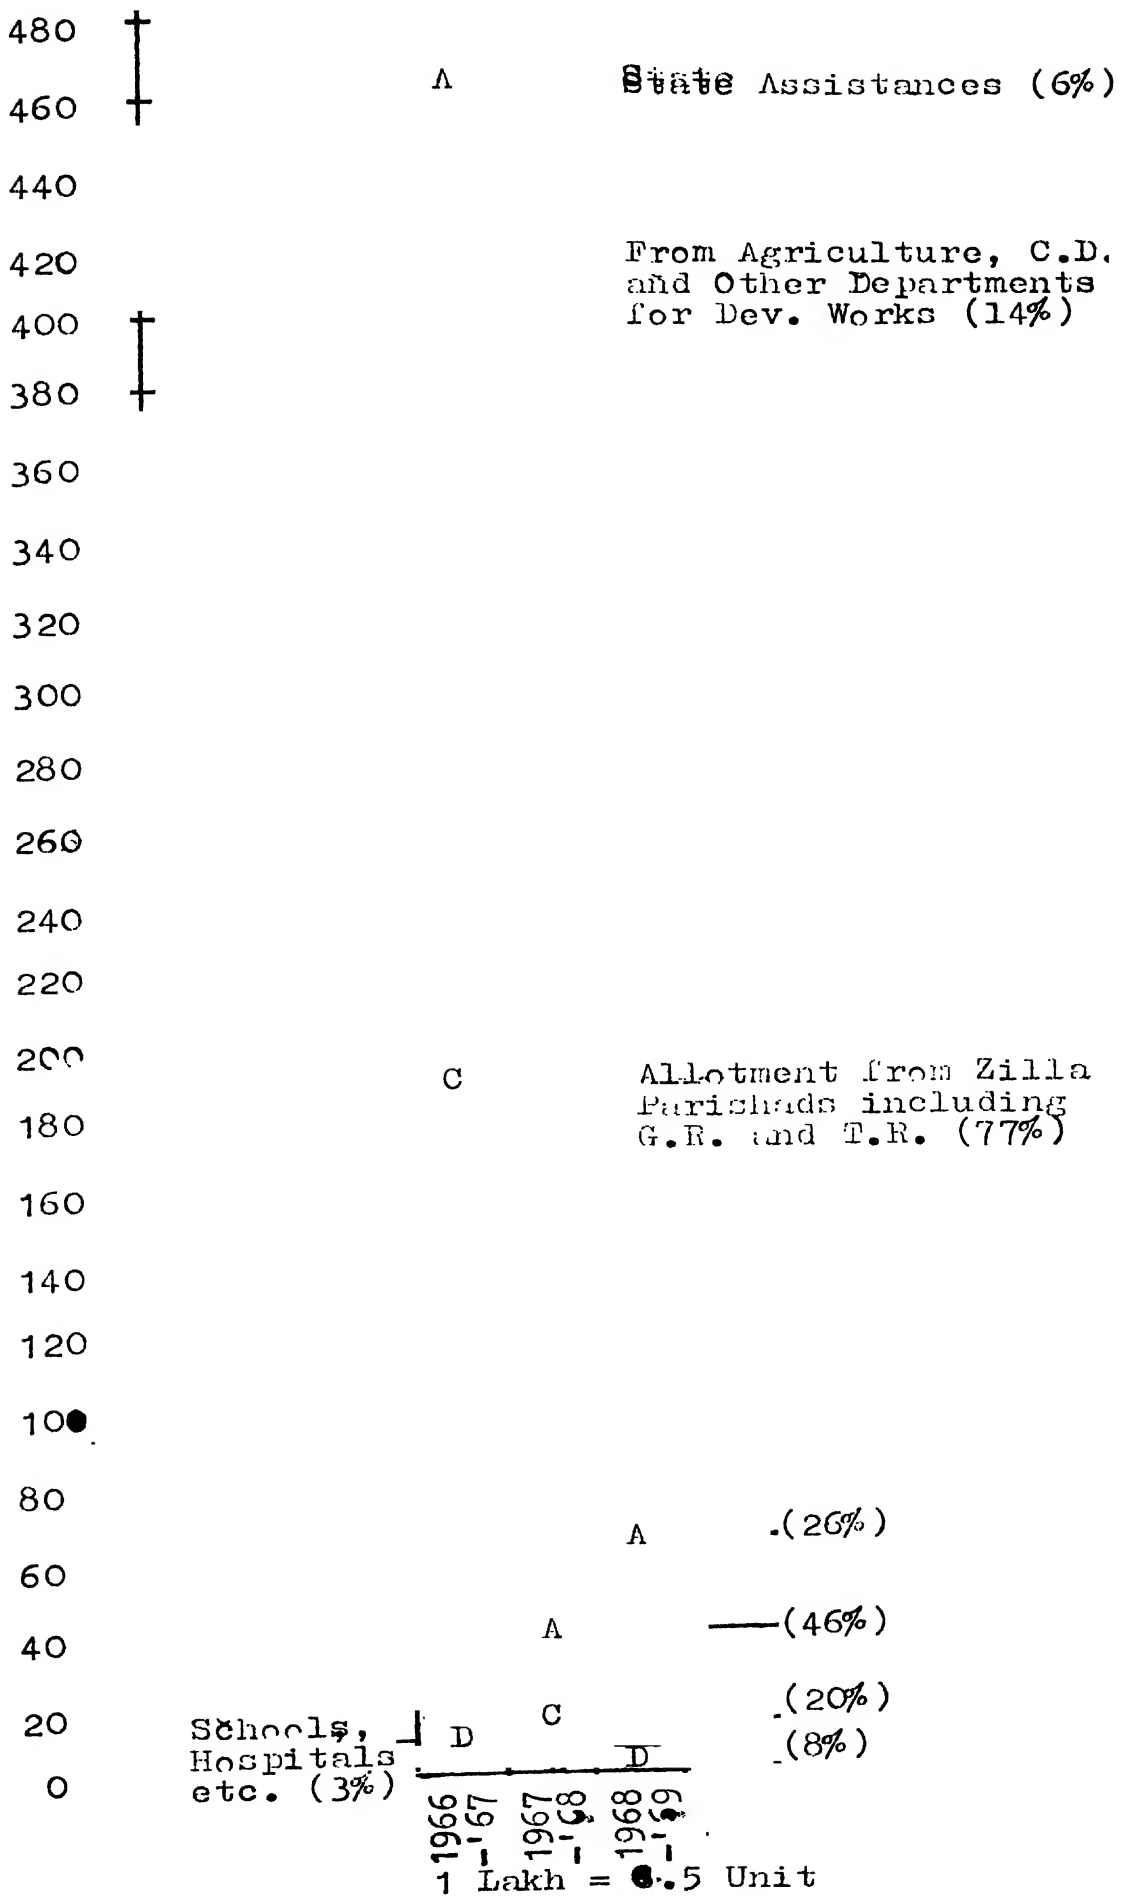

##### 5. MEETINGS OF THE STANDING COMMITTEE :

Statements VI shows the number of meetings and average attendance of members. Under the provisions of Law, General meetings of Anchalik Parishad should be held at least once in three months and the Standing Committees once in every month. The Statement shows that although the provisions of law were fulfilled in respect of General meetings of Anchalik Parishads, the Standing Committees miserably failed to fulfil the requirements of Law. This only shows that the Anchalik Parishads had not enough work to do and for that reason the Standing Committees did not meet as frequently as required.

<u>T O T A L</u>	<u>1,65,973</u>	<u>50,960</u>	<u>41,722</u>	<u>10,487</u>	<u>586</u>

The Statement I and II show the districtwise distribution of members according to Sex and Community of Anchal and Gram Panchayats. The Statement III shows the districtwise distribution of staff of Anchal Panchayats during the year 1968-69.

\*Percentages of Scheduled Caste and Scheduled Tribes to total population of West Bengal are 19.73 and 5.88 respectively. But from the Table III(a) and III(b), it appears that the percentages of Scheduled Caste and Scheduled Tribes to the total members of Anchal Panchayats are 16 and 2.6 and that of the Gram Panchayats are 19 and 5 respectively.

3. INCOME OF ANCHAL PANCHAYATS :

During the year 1968-69, the total income of Anchal Panchayats is Rs.3,23,18,843=34 (including opening balance with Rs. 62,78,719=70 which is 19% of the total income). The total receipt (exclusive opening balance) comes to Rs.2,60,40,123=64 during the year under review. Out of the total opening balance of Rs.62,78,719=70, Rs.9,66,322=82 was for Specific Schemes and Rs.53,12,396=87 was for Untied Funds.

The break up of the income is as follows :

A. GRANTS AND CONTRIBUTIONS FROM THE PANCHAYAT DEPARTMENT :

**A. GRANTS AND CONTRIBUTIONS FROM THE PANCHAYAT DEPARTMENT :**

(i) Pay & Allowances of A.P.Secys.	-	Rs. 48,25,593=16	-
		(18% of the total receipt)	
(ii) Pay of Chowkidars and Dafadars	-	Rs. 61,29,041=55	-
		(24% of the total receipt)	
(iii) Lump Grant of Anchal Panchayats	-	Rs. 25,81,729=43	-
		(14% of the total receipt)	
(iv) Other purpose	-	Rs. 1,32,279=84	-
		(10% of the total receipt)	

TOTAL - Rs.1,46,68,653=98

Thus the total State Assistance (Rs.1,46,68,653=98) indicates 57% of the total receipt.

**B. INCOME FROM RATES AND TAXES :**

(i) Current Realisation	-	Rs.66,79,524=49	(26% of the total receipt)
(ii) Arrear Realisation	-	Rs.22,13,794=28	(8% of the total receipt)
TOTAL	-	Rs.88,93,318=77	

The total realisation from rates and taxes comes to Rs.88,93,318=77 which is 34% of the total receipt showing a depression of 4% over to that of the last year. This decrease in collection, perhaps, due to want of collection in some districts namely Purulia and Bankura.

**C. ALLOTMENT FROM ANCHALIK PARISHADS :**

Allotment from Anchalik Parishads	-	Rs. 3,23,557=64	-
		(1% of the total receipt)	

**D. OTHER SOURCES :**

Gifts, Pounds, receipts from Nyaya Panchayats	-	Rs.21,54,593=25	-
		(8% of the total receipt)	

Income under different heads has been shown by the Pie-Chart in Appendix-I.

#### 4. EXPENDITURE OF ANCHAL PANCHAYATS :

THE total expenditure of Anchal Panchayats is Rupees 2,58,68,885=52. This can be broken into the following heads :

##### A. EXPENDITURE AS AGAINST THE GRANTS AND CONTRIBUTION RECEIVED FROM THE PANCHAYAT DEPARTMENT.

(i) Pay and Allowances of A.P.Secys.	-	Rs. 48,08,378=38
(ii) Salaries of Chowkidars & Dafadars	-	Rs. 61,05,757=04
(iii) Allotment to Gram Panchayat for Development Works	-	Rs. 32,37,197=46
(iv) Other purposes (for office estt. and for Nyaya Panchayat	-	Rs. 1,74,854=12

The Sum of Rs. 32,37,197=46 shown in column 4(A)(iii) was allotted by the Anchal Panchayats to the Gram Panchayats against the column 3(A)(iii) for various development works. This is 12% of the total expenditure. But during the last year the expenditure in this respect was 13% of the total expenditure. Another Sum of Rs. 18,96,726=45 was allotted by Anchal to Gram Panchayat from their own fund for development works. This amount has been included in miscellaneous expenditure. This is 7% of the total expenditure. This was 9% during the last year.

##### B. EXPENDITURE FOR DEVELOPMENT WORKS DIRECTLY EXECUTED BY THE ANCHAL PANCHAYATS :

Rs. 3,47,347=77  
(2% of the total expenditure)

Thus the total cost for development works indicates 21% of the total expenditure whereas it was 24% of the total expenditure during the last year.

##### C. OTHER EXPENDITURE - (including allowances of Secretaries, Chowkidars and Dafadars from their own fund) - Rs. 1,11,95,350=75 (44% of the total expenditure)

Appendix II represents a pie-chart to demonstrate expenditure of Anchal Panchayats under different heads.

#### 5. INCOME OF GRAM PANCHAYATS :

During the year 1968-69 the Gram Panchayats showed a total income of Rs. 84,69,072=30. The net income (excluding opening

opening balance of Rs.24,87,107=83 of which Rs.5,58,094=42 was for Specific Schemes and Rs.19,29,013=41 was for Untied Funds) was Rs.59,81,964=47 which was the derivative of the following :

A. FROM ANCHAL PANCHAYATS FOR VARIOUS DEV. WORKS :

\*(1) From Panchayat Department - Rs.33,15,283=93

(ii) " Anchal Panchayat Fund - Rs.18,96,726=45

TOTAL - Rs.52,12,010=38

This is 88% of the Net Income.

\*The discrepancy between the allotment made by the Anchal Panchayats to Gram Panchayats (in column A(iii) under the expenditure head of Anchal Panchayats) and the allotment received by the Gram Panchayats through Anchal Panchayats (in column A(i) under the income head of Gram Panchayats) is due to the fact that the amount (Rs.33,15,283=93) received by Gram Panchayats through Anchal Panchayats includes some part of the last year's allotment, whereas the allotment made by the Anchal to Gram Panchayats (Rs.32,37,197=46) indicates the allotment for the year under review.

B. From Zilla Parishads/Anchalik Parishads/Government Deptt. for the execution of Specific Development Schemes - Rs.1,65,993=50 indicating 2% of the net income.

C. Receipts from Gifts, Endowment or any Local Authority was Rs.6,03,957=59 which shows 10% of the net income.

6. EXPENDITURE OF GRAM PANCHAYATS :

During the year 1968-69, the total expenditure of Gram Panchayats was Rs.59,56,774.39. Out of the Total Expenditure a sum of Rs.54,79,704=26 was spent for development works from their own funds. This indicates 92% of the total expenditure showing a slight increase of 1% over to that of the last year. Another sum of Rs.4,77,070=13 (8% of the total expenditure) which has been utilised by Gram Panchayats for execution of Schemes sanctioned by Government Departments.

## 7. TRENDS OF ASSESSMENT :

The total current assessment under section 57 of the West Bengal Panchayat Act, 1957, came up to Rs.1,31,33,426=64 and the arrear Demand was Rs.73,13,402=93. So, the total Demand (viz. Current + Arrear) gave a rise to Rs.2,04,46,829=57. Of the total Current Assessment Rs.1,05,68,836=35 was assessed (current) on Land and Buildings which indicates 80% of the total Current Assessment. The current Assessment u/s 57(1)(i) [viz. Profession, & Callings] was Rs.1610032.89 indicate 12% of Total current assessment / registration fees, sanitation fees, water rates, conservancy 57(2) [viz. Vehicle, rates and fees from Nyaya Panchayats], the Current Assessment was Rs.9,54,557=40 which is 8% of the total Current Assessment.

The Current Collections u/s 57(1)(a), 57(1)(b) and 57(2) were Rs. 56,09,924=09, Rs.6,31,955=63 and Rs. 4,37,664=77 respectively. The arrear collections under same sections were Rs.19,10,282=79, Rs.2,14,150=53 and Rs.89,360=96 respectively.

Thus, the total Current Collections was Rs.66,79,524=49 which is 51% of the total current assessment. The total arrear collection was Rs.22,13,794=28 and the total collection (Current and Arrear) was Rs. 88,93,318=77 indicating 44% of the total demand.

[Statement IV - shows the districtwise Assessment & Collection for 1968-69]

The number of tax payers was 52,09,554 and that of vehicle registered was 4,34,024. The amount assessed per assessee was Rs.2.50 during the year 1968-69.

The per Capita Current Collection (on population covered by Panchayats as per 1961 Census) is 26 paise. The per Capita collection, as per current plus arrear is 34 paise only.

8. Till the year 1968-69, 52 Nyaya Panchayats had so far been formed, 41 in Burdwan Division and 11 in Jalpaiguri Division.

The present report is based on the returns of 40 Nyaya Panchayats. 12 Nyaya Panchayats defaulted to send any information.

The achievement (State Level) of Nyaya Panchayats during the year under review are shown below in a Tabular form :

CRIMINAL CASES DISPOSED OF						
Cases brought forward			Cases of the Current year			
No. of cases of conviction	No. of cases of acquittal	No. of persons involved.	No. of cases of conviction	No. of cases of acquittal	No. of persons involved	
35	9	39	80	82	222	

CIVIL SUITS DISPOSED OF			
Cases brought forward		Cases of the Current year	
No. of cases	Average value of Suits	No. of cases	Average value of Suits
28	2,200=00	70	4,717=00

NO. OF CASES IN WHICH NYAYA PANCHAYATS ORDER WAS SET ASIDE		
No. of Criminal Cases	No. of Civil Suits	T o t a l
90	61	151

In this connection it may be mentioned, although there is a provision in Laws that each Anchal Panchayat will be provided with a Nyaya Panchayat.. But only 52 Nyaya Panchayats have been formed by the end of the year 1964. The establishment of further Nyaya Panchayat has been stopped by Government.

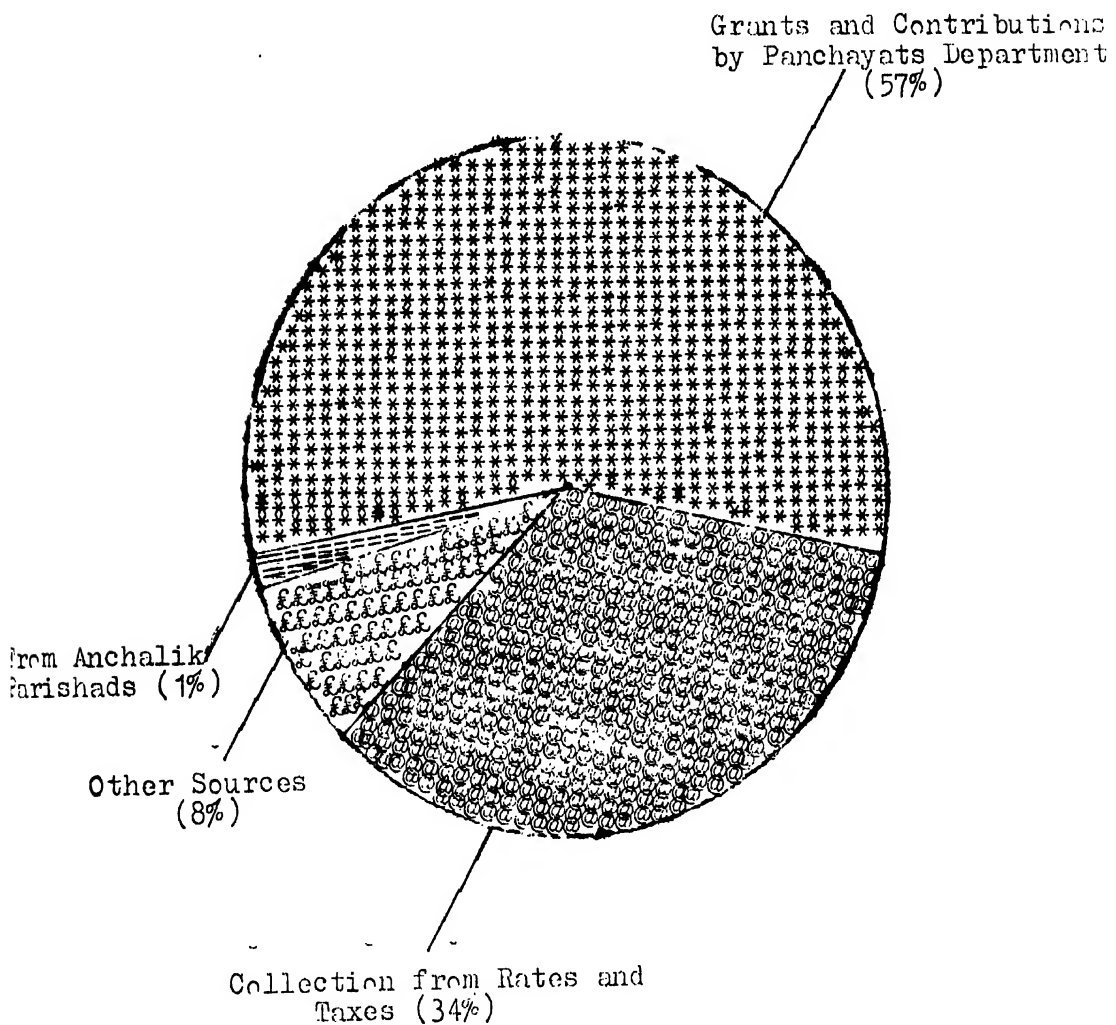

9. During the year under review, the average number of meetings of Anchal Panchayats was 9 and that of Gram Panchayats was 5.

The sections 22 and 22 read with 28 of the West Bengal Panchayat Act provide that every Anchal and Gram Panchayat should meet once in a month. But it is disappointing to find that the village level Panchayats failed to meet the minimum number of times as required by the Laws.
